Executive Director's Message

I hope everyone had a relaxing and enjoyable vacation with family and friends and had an opportunity to recharge their batteries for another school year.

The Board of Trustees was very busy during the summer months planning events the for the school year.

Dave Ryden and the committee planned, organized, and implemented our first annual golf outing, which was held at Bella Vista Country Club in Marlboro, NJ in July. Over 80 golfers participated along with several corporate sponsors. It was very successful with approximately \$10,000 in profit, which will be used for scholarships and programs. Sponsors provided gifts for each participant as well as monetary support. The 2nd Annual golf outing is scheduled to be held at Bella Vista on July 17, 2023, please spread the word to members, friends, and retirees, so plans can be made for even greater participation. More to follow in future newsletters.

In August the DAANJ hosted our annual inexperienced/new Directors of Athletics workshop at the NJSIAA Office attended by over thirty persons. Topics included an update on our March workshop, registration/conference/ NIAAA registrations, coaching evaluations, Principal/Superintendent/ BOE relationships, dealing with difficult coaches/parents, time management, leadership training courses, and our mentoring program. At the conclusion of the workshop, we offered leadership course 501, which is the flagship course of the NIAAA and is needed for certification. John Fraraccio, Memorial High School, our workshop chairperson for the annual DAANJ workshop in March

has been very busy scheduling a very comprehensive program with relative issues and speakers dealing with current trends in education and athletics. Should you care to be involved as a speaker on a particular topic or a moderator/panelist please contact John.

I hope you have an opportunity to attend the NEDC/NIAAA workshop in December at the Gaylord Hotel in Nashville, Tennessee, Dave Frazier, Director of Athletics at Rutherford High School, is receiving a Distinguished Service Award at the annual banquet on Tuesday night December 13, 2022, and Section 1 has a candidate running for the Board of Directors of the NIAAA and will be asking for our support. If you have never been to a national workshop you should plan to attend one where several courses are being offered as well as the CAA exam. Great opportunity to meet other directors from across the country and renew previous acquaintances as well as share common problems and issues with contemporaries.

I am pleased to announce that through the efforts and negotiations with the Golden Nugget and our attorney, we were able to reach a settlement for canceling our agreement to return for the 2023 workshop. We heard the concerns of our members and the request to return to the boardwalk for our March workshop. We heard you and were able to negotiate a contract for three years with the Hard Rock Hotel and Casino. I am sure you will be pleased with the staff, rooms, and facilities along with the excitement of a new venue. Our committee met with the hotel staff, viewed the facility, and found it

BOB HOPEK
DAANJ Executive Director

to be very conducive for our meetings and other activities. Registration information will be available shortly.

In August Dave Suiter and I met with Colleen Maguire to discuss including our membership dues along with your school dues to the NJSIAA. New Jersey is a dual membership state and this would give us 100% membership with the NIAAA. I will keep you posted on the decision. (Most schools pay for your membership to the DAANJ anyway and it would make bookkeeping so much smoother).

Finally, I would like to wish each of you a very successful and rewarding school year. Should you have concerns, issues, or suggestions, please do not hesitate to contact your area representative, as they are your voice on the board. I am always available for any ideas, suggestions, or ways to improve our services to all. Please don't hesitate to contact me with anything. Thank you for all you do for so many and for supporting the DAANJ. Best wishes for a very exciting school year.

Assistant Executive Director's Message

Greetings friends and colleagues. The global pandemic impacted education-based athletics significantly over the past two years. Fall 2022 has seen a return to a sense of normalcy for most of our programs, but some of the impacts remain. Professional Development/Certification

Over the summer Sean Dowling and I reviewed the NIAAA transcripts of our DAANJ membership and discovered that MANY of you are only a course or two away from being eligible to sit for the CAA Exam or to begin work on your CMAA project.

Target courses (LTC 503, LTI 510 as well as other 600 and 700 level course will be offered between now and the state workshop, with the hope that we will be giving the CAA exam to a packed house in Atlantic City! We have set a modest goal of 23 new certifications this school year ("23 in '23"), but would like to blow that goal out of the water!! Keep your eyes open for announcements regarding LTI offering as they are scheduled. Sean Dowling and I are available to assist with your certification questions. Please reach out to Sean Dowling (seandowlingcmaa@gmail.com) or myself (david.suiter.cmaa@gmail.com) with any certification questions you may have.

NIAAA/Section One Notes

We are pleased to announce that DAANJ member Sean Dowling will be joining the NIAAA Board of Directors in December, 2024 as the Section One representative.

Mark your calendars- June 25th – 28th - the 2023 Summer Institute. This year's Institute is moving to a new location on Cape Cod. The new location, registration and course info will be shared as soon as it is released.

President's Message

Welcome back to the 2022-23 school year. I hope that you all had a wonderful, relaxing and healthy summer. I want to wish all of you and your athletic programs the best of luck and health this school year. Let me get right down to it. WE ARE GOING BACK TO THE BOARDWALK!!!! Yes, that is right, the 2023 DAANJ Convention will be held March 13—17, 2023 at the HARD ROCK HOTEL and CASINO on the Boardwalk. I want to personally thank our Executive Director, Bob Hopek and our Legal Counsel, Joe Novak for their efforts in making this happen. They spent a great amount of time in negotiations with the Hard Rock in order to make this happen. I am truly appreciative of their efforts.

Our president-elect, John Fraraccio, is busy putting together our program agenda for March 2023. We are all looking forward to the LTC's, the professional development and the camaraderie at the Hard Rock. If you would like to be a part of the 2023 DAANJ Convention as a moderator or if you know of a vendor that may want to purchase a booth, please reach out to John.

Over the summer, the DAANJ hosted our first annual golf outing. The event was held at Bella Vista Country Club in Marlboro and it was a huge success. The weather was beautiful, the food delicious and the people were awesome. We raised money to be used for our DAANJ scholarships. I want to thank our past president, Dave Ryden, for his hard work in putting this golf outing together from beginning to end. We look forward to an even bigger and better event next summer.

I am proud and grateful to serve as your President for the next two years. Please feel free to reach out to me or to any of our Board of Trustee Members if there is anything that the DAANJ can do for you. I wish all of you a happy and healthy 2022/23 school year.

Yours in sports,

- Carl

President Elect's Message

Hello everyone, this is John Fraraccio President Elect of the DAANJ. It appears though these days we use the term the “New Normal” in every aspect of our daily lives. In the world of high school athletics, things change minute by minute. How we handle these sudden changes as an Athletic Administrator is the difference between success and failure. “Navigating the New Normal” is the title of the 2023 DAANJ Conference.

Not all change is negative. For example, the 2023 DAANJ Conference will be in a new home. We will be back on the boardwalk at the Hard Rock Hotel and Casino, March 13-17th, 2023. The Hard Rock is the premier spot on the boardwalk, with “modern accommodations, world-class entertainment, delicious dining, and enjoyable casino gaming”. The Hard Rock has 150,000 square feet of meeting and event space, there are a variety of “event venues available to amplify our program and are designed from intimate board meetings to large-scale event spaces”.

This year we will be offering 3 LTC classes, some very impressive professional development sessions and general sessions on various topics. The conference program was developed with input and recommendations from our membership. It was my goal to listen to the needs of the group and program accordingly.

As always, we will have an impressive number of vendors present at the conference for 3 days. It is our hope that the larger vendor area will allow us to have more vendors. We encourage all attendees to visit our vendor area and see what each vendor has to offer.

If you have a topic that you would like to present at a future conference, please email me at jfraraccio@wnyschools.net. We are always looking for AD's to serve as moderators for the different speakers, again, please email me if you would like to serve in that capacity.

I want to thank all of you and wish you all a safe and successful fall and winter season.

John Fraraccio

DAANJ President-Elect

*Thank you,
John*

REMEMBER WHEN

BY BOB GRACE

Our Executive Director Emeritus, Mr. Frank Baldachino, has put together an impressive compilation of the chronology and history of the Directors of Athletics Association of New Jersey. Below you will find a synopsis of four randomly selected years in the sixty year history of our association. In future editions of our Newsletter we will continue to bring you information on several more years in our long and storied history.

1957

George Gerhardt of Snyder High School was the President of the DAANJ. There was no Annual Workshop yet, the initial Workshop was held in 1960. We had not yet begun to honor the "Athletic Director of the Year". Annual dues were \$1. The Treasurers Report totaled \$37.56 in assets. We've come a long way, Baby!

1970

John Ragone of New Brunswick High School was the President of the DAANJ. The Annual Workshop was a two day format held at the Hotel Traymore in Atlantic City, from March 3rd to 4th. There was no Keynote Speaker, only Panel Discussions. The first "Athletic Director of the Year" would not be named until 1974. There were 6 Exhibitors present at the Workshop. We did not honor Retirees until 1971.

1982

Walter 'Moe' Gaisor of Carteret High School was the President of the DAANJ. The Annual Workshop was a four day format held at Tamiment Country Club in the Poconos, from March 17th to 20th. The Theme of the Workshop

was "From & To, How to Cope". Our Keynote Speaker was Dr. Fredrick Price, from the New Jersey Department of Education. Dr. Price's topic was "Legal Parameters and Procedures in Athletic Certification". Jay Dakelman of Highland Park High School was honored as the "Athletic Director of the Year". Jay was also selected as the National Athletic Director of the Year. There were 10 Retirees honored in 1982. There were 16 Exhibitors present at the Workshop.

1991

Bob Hopek of North Hunterdon Regional High School was the President of DAANJ. The Annual Workshop was a four day format held in Trump Plaza in Atlantic City from March 18th to 21st. The Theme of the Workshop was "Interscholastic Athletics, We can Make a Difference". Our Keynote Speaker was Philip Schembra, CEO/President of Schembra Enterprises. Mr. Schembra's topic was "Committed to the Achievement of Excellence". Joseph Walsh of Seton Hall Prep School was honored as the "Athletic Director of the Year". There were 10 Retirees honored in 1991. There were 33 Exhibitors present at the Workshop.

Who are some of your most valued role models and or colleagues?

This is a tough question because there are so many people I value, I don't want to miss anyone. Let me start by saying that I love my profession and I think I am one of the luckiest people around because I get to do what I do and get paid for it. As a Coach and Educator, my high school football coach, Mike Cilento is the person I have always tried to model myself after and without his guidance, I would not be the person I am today. In my career, I have worked with some amazing coaches and AD's and have taken something from each of them. Legendary Basketball Coach Bill Kuchar gave me my start as a young coach. Benny Candelino from Elizabeth was instrumental in my development as a coach and a teacher. Dave Curtin and Don Dayon were both coaches I worked with that gave me the freedom that allowed me to grow as a Coach. The Athletic Director "fraternity" is the group that I can say still has a positive influence on me on a daily basis. Mike Pierson from Bayonne and Rich Hansen from St. Peter's helped me "cut my teeth" as a new AD in Hudson County. Denis Nelson and Dave Frazier are two people I have tried to emulate as a professional. Derek England and Steve Jenkins are my "Moral compasses". Joe Piro taught me how to have "vision" as an AD. My Hudson County AD's keep me grounded and have taught me the value of working together. Jerry Maietta for being my "sounding board" when I need to vent. Bob Hopek, Dr. D and the rest of DAANJ BOT's for their professionalism and commitment to profession. Last but not least the, "North Jersey Crew of AD's" for their support and friendship. If I missed anyone I am sorry, I can go on for days about the people I value.

What's your most memorable moment in Interscholastic Activities?

I have so many great memories it is hard to come up with one. If I had to pick one was beating Orange in the North 2 Group 2 Football Semifinal. We scored with a little over a minute to go in the game to reach Giants Stadium, we unfortunately lost in the championship, but it was an amazing experience.

How would you describe the athletic climate in your school/community?

Memorial HS and the Town of West New York are special places. There is a tremendous amount of school pride and civic pride. The respect for tradition is what makes Memorial Athletics what it is. We use the saying "built on the shoulders of people that came before you" which is something we try to honor always.

What part of your job is unique compared to other AD's?

I think the relationship I have with my coaches, is what makes my job unique. At Memorial we are truly a Family

What are some of your spare time interests?

AD's have "spare time"? Most of my spare time is spent being as active as I can. I try to find time every day to exercise. I love to compete, so I have started doing road races of various distances and sprint triathlons. I am not very good but I love the personal challenges. I raise money for various Alzheimer's Organizations while competing in these races which I feel is the best way to give back and honor my Dad who passed away from Alzheimer's. I also work on the Food Truck (Spankys Gourmet Grub) with my guy Joe Piro, who by the way makes the best cheese steak in New Jersey.
